Return Goods Authorization Policy

- A Return Goods Authorization (RGA) number must be obtained from Flushmate before returning any product. Any returns received without the RGA number will delay the processing of the return and may result in the material being discarded or returned freight collect.
- RGA will only be issued for materials that were invoiced by Flushmate within the last 90 days.
- The RGA number must appear on all documents and packaging.
- All returns must be shipped at customers expense.
- Product found to be defective upon inspection and determination by Flushmate is eligible for replacement only; no credit will be issued.
- Unless shipped in error by Flushmate, non-defective product will be subject to a 25% restock fee.
- Credit can only be issued for product received in re-sellable condition (never installed, in original package).

Please contact us at the telephone number listed below if you are in need of an RGA request form.

Shortages and Damaged Material Claims

Claims for shortages or incorrect filling of orders or to report a damaged material must be made within 15 days from the date of delivery. No claims made beyond this date will be honored. Deliveries that are short carton(s) or have damaged carton(s) must be reported immediately. Damaged carton(s) must be kept for Carrier Claim Inspector (Recommend taking picture of damaged box upon delivery).
